

# Database Research Guide for Broad Perspectives

## ABOUT

The South Dakota State Library, a division of the SD Department of Education, supports local librarians and libraries by encouraging excellence in services, providing collections to expand local reach, serving special populations, and offering quality research and interlibrary loan services to libraries and state agencies.

The State Library offers free to all South Dakota citizens a diverse, rich collection of 50+ databases and digital resources for research, reading & inquiry. Databases may also be referred to as 'eresources' or 'digital resources.'

## ACCESS

SDSL databases can be accessed in three ways:

1. Instantly, without a login, anywhere in South Dakota's geographic borders thanks to GeoIP.
2. Instantly within your school and without a login because of school district IP authentication.
3. Out-of-state using your school's State Library eCard. Login required.
